

# Trainer's EDGE Training

(Previously Train The Trainer and Trainer Development Course)

The Trainer's EDGE is a required course for Wood Badge for the 21<sup>st</sup> Century and National Youth Leadership Training staffs. For delivering presentations and training classes to others, the information presented in the Trainer's EDGE is a valuable resource!

The purpose of Trainer's EDGE is to provide and develop the platform skills of a trainer, and supplements the practice that is offered through Wood Badge and NYLT staff development.

You will have the opportunity to deliver short presentations on BSA topics and receive feedback. Hand outs and materials provided.

Please contact Anne Kenny Chapman, GCC Training Chair, 509 303-9004, or the Yakima Scout Office, 509 453-4795 or 800 572-8603, to register so enough materials are available!
