A positive Scouting experience for our youth takes place when there is a vibrant scouting program in his Pack, Troop, Team, Crew or Post. Motivated and effective District Committees help unit leaders provide a quality program and can deeply enrich the Scouting experience for an individual boy.

The Annual District Officer Workshop and Council Coordinated Meeting is a time to review our progress and plan for the future. Please plan on joining us for this important day of planning and preparation for our council.

For your convenience this form includes a spot to register for the Council Court of Honor that will be later on in the day at the same location.
